

STEPHEN FORD

NEW COLLECTION

STEPHEN FORD

When Stephen Ford's premier collection of animal portraits was launched in autumn 2019 it created a sensation in the nation's galleries. Beautifully composed and highly expressive, his work tapped into the hearts and minds of the nation, telling a story of bravery, beauty and hope.

We are delighted to present too outstanding new collectable editions which are even more timely, carrying as they do a resounding message of optimism and faith in our shared future.

//
FOR ME, BEING AN ARTIST IS
ABOUT SELF-EXPLORATION AND
THEN LEARNING TO MAKE THAT
SELF-EXPLORATION ABOUT
SOMETHING BIGGER THAN
ONESELF.
