Love You More

Mixed Media Edition of 95
Size: 30 x 30" £1,395

This beautifully presented multi-media concept piece showcases Hyde's black and white pencil sketches from the last 20 years. He introduces a whole new level of impact with an innovative presentation which mounts a vibrant pop art image on perspex a few centimetres above the canvas. By staggering the colourful foreground with the monochrome backdrop, he transforms a two-dimensional work of art into a three-dimensional one.

To celebrate Doug's milestone anniversary a larger-than-life statement sculpture, '**Big Love**', will be touring the UK promoting positivity and inclusion.

Inspired by 'Big Love' comes '**One Love**', an elegant new departure for Hyde - a trio of monochrome, matte sculptures; each smiling figure holds out a sleek, reflective heart, in a stylish and modern 3D version of one of his most significant motifs.
